SECRETARY OF THE SENATE

15 APR 30 PM 2: 24

Jill Sugarman
RE: Dr. Monica Wehby for US Senate
ID: C00550996

30 Day Post-General Report (10/16/2014 – 11/24/2014)

Dear Ms. Sugarman:

Please find below our responses to your inquiry.

Item 1.

The Committee is aware an individual or a political committee, other than an authorized committee or a qualified multi-candidate committee, may not make contributions to a candidate for federal office in excess of \$2600 per election. Unfortunately, due to the heavy influx of contributions leading up to the election, some individuals may have inadvertently exceeded the \$2600 limit. When the Committee was aware of the excess contributions, the funds were returned to the donors. We apologize for the oversight. Copies of the refunds are being submitted to the Commission as requested.

Item 2.

The Committee has amended its October Quarterly report to provide clarifying information on transfer from the joint fundraising committee the Six In 14 Fund. Initially, the Committee was provided and reported net proceed amounts from the Six In 14 Fund; some of which were unitemized amounts. The Committee has obtained gross contribution amounts for the Six In 14 Fund transfer and is now reflecting those figures on Line 12 of Schedule A of the October 14 Quarterly report. The apparent discrepancy for the Friends of Winning Women transfer is attributed to unitemized contributions from contributors who did not exceed the \$200 aggregate limit.

Item 3.

The apparent duplicate 48-hour notices were attributed to timing issues when submitting 48-hour reports via fax to the Secretary of Senate. The Secretary of Senate acknowledges receiving late 48-hour notices up until 5 p.m. EST. Upon receiving the report, the Secretary of Senate sends a confirmation via fax. Because the Committee is based on the west coast and has a three hour time difference, some 48-hour contributions were sent via fax after the 5p.m. EST deadline. If the Committee did not receive an acknowledgement from the Secretary of Senate before 4 p.m. EST the following day, the Committee took a conservative approach and resubmitted the report.
